

Out of Hours Working – 27th September, 28th September

Replacement of temporary staircases:

As highlighted in our September 2014 monthly newsletter, the temporary stairs serving the cabins on John Islip Street are to be replaced with narrower, bespoke stairs which will enable us to create a wider public walkway and eliminate any 'pinch points' for pedestrians. To facilitate the undertaking of this we will be required to close our on site welfare facilities and the pit lane resulting in these works having to take place outside of normal operational hours.

This process will take place under consent from Westminster City Council at the following times;

Tuesday 23rd – Friday 26th September: normal working hours

Saturday 27th September: 8am – 6pm

Sunday 28th September: 9am – 6pm

Monday 29th September: normal working hours

Throughout the duration of these works the public walkway will be open as normal however, a minor diversion will be in place to allow site operatives some additional working area.
