

# MILLBANK TOWER AND COMPLEX

September 2015

Earlier this summer Basio Holdings, the owner of the site, held an initial exhibition of its proposals for the refurbishment and redevelopment of Millbank Tower and Complex. Your views and comments were considered before plans were submitted to Westminster City Council which is currently holding its official consultation on the scheme. All plans and related documents have been made available to view on line at [www.westminster.gov.uk](http://www.westminster.gov.uk) under reference 15/07756/FULL and there is also further information on the official scheme website: [www.millbanktowerproposals.co.uk](http://www.millbanktowerproposals.co.uk)

There is now another opportunity to review the recently submitted proposals before the official consultation closes.

On Monday, September 21, 1400 - 2000  
& Tuesday, September 22, 1200 - 1800

at

Citibase  
First Floor
